

INTERNSHIP APPLICATION

Term Applying For: ☐ Fall ☐ Spring ☐ Summer [Year: _____]

Application Deadline:

Part 1: Personal & Academic Information

- **Full Name:**
- **Preferred Pronouns:**
- **Email & Phone Number:**
- **College/University:**
- **Current Class Standing:** ☐ Freshman ☐ Sophomore ☐ Junior ☐ Senior ☐
Graduate Student
- **Major(s) / Minor(s):**
- **Expected Graduation Date:**
- **Are you applying for academic course credit?** Yes No
- **Are you seeking financial support/stipend or work-study?** Yes No

Part 2: Primary Lab Department Interest:

Part 3: Short-Answer Statements (250–350 words each)

1. **Statement of Interest:** Why do you want to work specifically in a museum research or conservation lab, rather than an academic or commercial lab? How does this align with your long-term career or educational goals?
 2. **Relevant Experience:** Describe any past coursework, lab techniques (e.g., microscopy, pipetting, artifact cataloging, database management), or independent/volunteer projects that have prepared you for this role.
 3. **Handling Sensitive or Complex Tasks:** Museum lab environments require extreme attention to detail, adherence to strict safety/ethical protocols, and patience with repetitive or meticulous tasks (like sorting, data entry, or artifact re-housing). Describe a time you handled a meticulous or high-stakes project and how you stayed focused.
-

Part 4: Required Materials Checklist

Please combine and upload the following documents as a single PDF:

- **Up-to-date Résumé or CV** (highlighting relevant science, history, or technical coursework and soft skills).
- **Unofficial Academic Transcript.**
- **One Reference Contact:** Name, title, email, and relationship of a professor or past supervisor who can speak to your reliability and lab/academic competence.
